# Mission Statement.

The mission of Chapa-De Indian Health is to advance the health and well-being of American Indians and low income individuals living in our communities by providing convenient access to high-quality, compassionate care.

## Values & Philosophy.

We are dedicated to providing high-quality care regardless of your financial situation or ethnicity. Our passion is to care for American Indian and Alaska Native people as well as low-income individuals and families.

At Chapa-De, we have a healthcare model that is both patient-centered and integrated. This means that you will be the central focus of our services and processes, and you will receive care from a highly skilled team of healthcare professionals.

# Our Services.

## ***Medical Care***

We offer excellent primary medical care for every member of your family from newborns to seniors.

## ***Dental Care***

Chapa-De's dental department is very popular and can help you with all your dental needs from examinations and cleanings, to filling, crowns, dentures and even orthodontic braces.

## ***Optometry***

Our optometry department is located in our Auburn health center and offers eye exams for everyone in your family, starting with children as young as 4 years old.

## ***Behavioral Health***

Chapa-De has an outstanding team of psychiatrists and therapists who want to help you meet your goals for mental and emotional health.

## ***Pharmacy***

We are proud to offer convenient in-house pharmacy services. We are able to provide our patients with many reduced-cost medications.

## ***Diabetes***

The Chapa-De Diabetes Department is committed to the prevention and treatment of diabetes in American Indians and Alaskan Natives (AIAN).

## ***Health & Wellness***

We want to help you set your own health goals, and then help you work to accomplish them.

# Serving the Underserved.

At Chapa-De, we serve over 19,000 patients each year and continue to expand our services based on the needs of our communities. Chapa-De Team Members have the rewarding opportunity to provide care to our area's most underserved populations; American Indians, Alaska Natives and low-income individuals and families. We are a healthcare safety net provider and accept Medi-Cal, Medicare and have a sliding fee scale based on income for the uninsured.

While serving this population has its unique challenges, it also offers a high level of satisfaction as well as a fascinating insight into how social determinants impact health.

All of us at Chapa-De are committed to investing in our community and improving the lives of those who live here. You can anticipate leaving each day feeling fulfilled and empowered.
